

## THE CARD PROJECT – turning your art into greeting cards

We are thrilled to send home the children's very own greeting cards!

Every card is unique.  
The front showcases *each child's own art* with  
their name and grade on the back.

To place an order, please go to  
[www.TheCardProject.ca](http://www.TheCardProject.ca)

**ORDERS are due by Sunday, February 24** for delivery by March 15.

The **cards** are packaged in a clear gift box. Each box contains 12 cards with envelopes.

The **notebooks and sketchbooks** show the children's own art on the covers

- The covers are made of thick, durable plastic
- The pages are perforated so that they have neat edges when removed
- The notebook has lined pages (5.5 x 7.5")
- The sketchbook has thick, quality paper suitable for sketching, markers, oil pastels and crayons (8.5 x 11')

The **pre-stretched canvasses** are mounted on a solid wooden frame, ready to hang on the wall.

This is a wonderful fundraising opportunity for our school. We receive 20% of the sales.  
Remember, the cards and notebooks make great gifts!
